6 November 2023

FD Technologies plc
(“FD Technologies” or the “Group”)

Notice of KX Investor Event : Winning in the AI Era

FD Technologies (AIM: FDP.L, Euronext Growth: FDP.I) announces that it is hosting an informational session for its KX business, which provides software to accelerate AI-driven innovation, at 2pm on 29th November in London, for analysts and institutional investors. No new financial information will be disclosed at the event.

During the presentation, Ashok Reddy, CEO of KX, and members of the senior KX management team will outline the AI opportunity for KX, which will include:

- KX's strategic positioning within the AI ecosystem
- The opportunity and USP for KX in the rapidly growing AI market
- A showcase of the capabilities of KDB.AI, our state-of-the-art vector database, equipped with advanced natural language processing and hybrid generative AI search functionality
- Real-world use cases demonstrating KX's impact on AI-driven solutions
- Our go-to-market strategy designed to maximise AI opportunities.

The session will take place at the etc.venues St Pauls, London. To register your interest in attending, please email FDtechnologies@fticonsulting.com.

Following the event, slides and a recording will be made available for viewing on the Investors section of the Group website, fdtechnologies.com.
